Training: Race course will be open for training on Saturday from 10:30 to 11:30.

Start order: Staging as follows: Riders will be staged based on so far UCI Cross-country Individual ranking.

Start procedure: Riders will be called in the Staging Area 20 minutes before the scheduled start time of the race. Staging will begin 15 minutes before the scheduled start time of the race. Riders will be lined up as described in the Start Order above. Eight riders will be placed on each line (might change by decision of the President of the Commissaires' Panel). The rider him/herself can decide his/her position on the line. Once the riders are lined up, warm-up (by rollers, turbo trainer etc.) is excluded inside or outside the start area. The start will be given by the Start Commissaire using the following procedure: Announcements at 3, 2, 1 minutes and 30 seconds before the start, then a final announcement that the start will be given within the next 15 seconds. A starting pistol, whistle or horn will be used to give the start. The Start Commissaire will be in sole control of the public address system from three minutes before the start until the start has been given.

Technical Assistance: Technical assistance shall only be given in the feed/technical assistance zones. Spare equipment and tools for repairs must be kept in these zones. Repairs and equipment changes can be carried out by the rider himself or with the help of a teammate, team mechanic or neutral technical assistance. Small items such as an inner tube or a small tool may be handed up from the feed/technical assistance zones.

All people inside the Feed/Technical assistance zone must have on them in a visible place a Feed/Technical Assistance zone pass. People without a pass will be removed from the Feed/Technical Assistance zone. Passes will be handed during the Team Managers' meeting under the supervision of the President of the Commissaires panel (1 pass for every 3 riders for each Feed/Technical Assistance zone).

In addition to technical assistance in feed zones, technical assistance is permitted outside these zones only between riders who are members of the same UCI ELITE MTB team, UCI MTB team or of the same national team (if riders are registered in the race as part of the National team).

Riders may carry tools and spare parts provided that these do not involve any danger to the rider himself or the other competitors.

Any changes to UCI regulations regarding feed/technical assistance will be applied to the above.
