#### **14. License check and team manager's meeting**

Checking and control of licenses and the distribution of the identification numbers will be made in 8th August 2022 between 13.00 and 16.00 hours at the headquarter in **Hotel Lycium, Hunyadi János street no. 1-3, 4026, Debrecen, Hungary;** The team manager's meeting will be held on the same day in the same place between 17.00 and 17.45 hours.

#### **15. Radio tour**

Radio receivers will be installed in the team managers vehicles so that they could continuously receive the race radio in English, Hungarian and Romanian. The frequency used for radio tour is **147,375 MHz.**

#### **16. Environmental measures**

To respect the environment and with a view to safety, it is strictly forbidden to carelessly jettison food, feeding bags, drink containers or any other accessory outside of the waste collection zone or any other place set aside for this purpose. A special car is assigned to collect waste.

Carrying or using glass containers is strictly forbidden. Competitors are not allowed to throw anything onto the road outside of the waste collection zone or any other place set aside for this purpose.

#### **17. Route of the stages**

Description of the stages with profile, distances, exact start, finish and feeding points, including obstacles on the course (tunnels, level crossing, etc.), a detailed route and the schedule anticipated, including intermediate sprints and mountain primes, and the plan of the final three kilometers, including car deviation are given to all teams **at the license check.**

#### **18. The finishing time limits**

For all of the stages: time of the winner + 15%. In case of special atmospheric conditions or other exceptional circumstances the time limit may be increased by the Commissaries' Panel and the organizer, in consultation with the GM of the Tour.

#### **19. Stages ending on a circuit**

Stages 3 and 5 end with a lap, that will be ridden 3 times for stage 3, respectively 5 times for the 5<sup>th</sup> stage. The length that will be ridden is included in the total length of the stages. Upon entry on the circuit lap, the technical assistance in the race convoy will be insured only by three neutral cars. If a rider is caught up by the leader(s) of the stage, then he will end his race immediately. The rider will count in general classification. His finishing time on the stage will be calculated by adding to the winner's time the total of the laps remained. (The Commissaries' Panel will decide the finish time).

#### **20. The 3 km rule**

The 3 km rule is not applicable in stages 3 and 5.

#### **21. Protocol**

After each stage the prize-giving ceremony will be held in the minutes following the finish. After each stage the following contestants will be awarded:

- the winner of the stage;
- the leader of the general classification, who receives the red jersey;

- the leader of general ranking by points, who receives the yellow jersey;
- the leader of general mountain classification, who receives the green jersey;
- the leader of U23 general classification, who receives the red-white jersey;
- the leader of the Romanian riders classification, who receives the blue jersey;
- the leader of the Hungarian riders classification who receives the red-white-green jersey;
